Dear Ron,

Thank you so much for presenting the workshop "You CAN do Anything – We Can Help" at our 24<sup>th</sup> National Conference, "**MOTHERS '08 – Thinking Beyond Ourselves & Beyond Today.**" People really enjoyed your presentation and took away new ideas about having a choice regarding their own level of self esteem. They also gained insights into how they can support their children in improving their self esteem by encouraging a more positive outlook.

Some of the comments we received include:

*"It was inspiring to be able to see how much power I have to help others."*

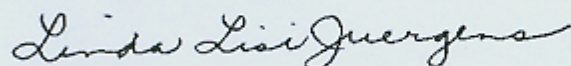

*"You were very motivating and energetic"*

*"Fun and informative – feel good workshop. Thank you!"*

*"Great energy and positive aura!!"*

Thank you for your contribution to making this an outstanding event!

Best regards,
